

ESIGN Consent to Use Electronic Records and Signatures ("ESIGN Consent")

Please read this ESIGN Consent carefully and print or save a copy for future reference.

Jerry may send communications and documents to you to provide its Services. With your consent, Jerry may provide these communications and documents to you electronically, rather than in paper form. By clicking "Continue" on the page containing the link to this ESIGN Consent, you consent to receive documents and communications from Jerry electronically and to the use of electronic signatures, each as set forth in this ESIGN Consent.

In this ESIGN Consent:

- "We," "us," "our," and "Jerry," mean Jerry Insurance Agency, LLC, Jerry Offers Inc. and each of their affiliates, agents and assigns.
- "You" and "your" refer to the person giving this ESIGN Consent, and each additional authorized signer and/or authorized representative.
- "Communication" includes, but is not limited to, disclosures, notices, agreements, authorizations, fee schedules, statements, records, documents, contracts, and other information we provide to you, or that you sign, submit, or agree to at our request.
- "Service" has the meaning set forth in Jerry's [Terms of Use](#).

Consent to Receive Communications Electronically and to Electronic Signatures

You agree to receive Communications in electronic form including by email, text message or by Jerry providing you access to them via the internet or Jerry's app.

Communications that we may provide electronically include:

- Insurance policy documents, such as policy applications, driver exclusion forms, coverage rejection forms, endorsements, reinstatement documents, insurance cards, declarations pages, billing notices, notices of a lapse in coverage, notices of policy nonrenewal, cancellation or termination, policy change notices, renewal offers, and other Communications about applications and policies;
- Loan documents, including loan applications and related forms and acknowledgements, loan agreements, and notices and consents regarding your application, including those required by law, such as the Truth In Lending Act, Fair Credit Reporting Act and Equal Credit Opportunity Act; and

- Other Communications regarding Services you may request or that we may provide or offer to provide to you.

You also agree that we may also use electronic signatures and obtain them from you as part of our Services.

Jerry reserves the right, in its sole discretion, to provide one or more Communications to you, or obtain one or more signatures from you, in paper form if we believe we are legally required to do so or that you should receive the Communications in paper rather than electronic form.

YOUR CONSENT IS VOLUNTARY; Election to Receive Paper Communications

Your ESIGN Consent is voluntary. You have the right to receive Communications in paper form at no additional charge. To request any Communication in paper form, please write to us at 430 Sherman Ave. Ste 305. Palo Alto, CA 94306, "Attention Legal" or email us at legal@getjerry.com (collectively or each individually, the "Jerry Address"), providing your name, phone number, mailing address and specifying the Communications you would like to receive in paper form. Your request to receive one or more Communications in paper form will not, by itself, constitute your withdrawal of your consent (i) to receive Communications electronically or (ii) to provide and receive electronic signatures. To withdraw your consent, follow the steps set forth below.

Withdrawal of Consent

You may withdraw your consent to receive electronic Communications or to the use of electronic signatures by notifying us at the Jerry Address. Please provide your name, phone number, mailing address, and a description of the specific electronic Communications from which you are withdrawing your consent. Withdrawing your consent may result in you being unable to receive, acknowledge or agree to Communications electronically or to make or receive electronic signatures and therefore, may result in termination of your access to the Services. Your withdrawal of this consent is effective only after we have had a reasonable period to act upon your withdrawal.

HARDWARE AND SOFTWARE REQUIREMENTS

To access, receive and retain required Communications and make signatures electronically, you will need the following hardware and software:

- a computer, mobile device, tablet, or similar device with an internet connection;
- a current web browser that supports HTTPS connectivity and otherwise supports the Services;

- a current version of a software program that can open and display PDF files (such as Adobe® Acrobat® Reader);
- an active email address with email software to communicate with us electronically;
- if you wish to retain electronic Communications for your records, an installed printer to print hard copies of electronic Communications or sufficient storage space to save, store or otherwise retain electronic Communication.

If the system requirements for accessing the copy of your Communications on the secure webpage change to require different or additional hardware or software, or upgrades, plug-ins or enhancements to the hardware or software used by you (all such changes referred to as a “Systems Enhancement”), we will update this page. You should check this page occasionally for updates on supported software. You agree that updating the hardware and software requirements on this page constitutes notice by Jerry to you of the new requirements. Continuing to use Services after receiving notice of the change is reaffirmation of your ESIGN Consent.

These disclosures are provided to you in PDF so you can easily print them for your records. Your access to this page from your own system/device verifies that your system/device has the necessary software to permit you to receive and access PDF files.
